Boom! 2022

Andrew, Alaina, Vincent, Janay, Brian

Uses

- No to Minimal use of Rain Curtain - will experiment once in space
Section 1 - Creation of Life

Beginnings of humans, starting at the

micro to the whole "being" existing.

Truss Position -
USR: Home
USL: Home
CS: Home

White: purity and innocence
Turquoise: calm and peace
| 117 | 118 | 130 |

Section 2 - Intro into Human Perspective

Laying the land, giving audience a feeling of what it must have felt like being first person on Earth.

Truss Position -
USR: Down
USL: Down
CS: Up

Green: growth, prosperity, and exploration
Purple: mystery and imagination
Turquoise: calm and peace

| 219 | 180 | 117 |

Section 3 - Psychological

Highlighting the loneliness of navigating existence, touching on ones yearning for love, conforming to fit within the system they are spawned into from specific perspective, and the lack of fulfillment provided by those in power. Think alienation. Begin to show how humans have failed each other thus moving towards downfall.
Truss Position -
USR: Down
USL: Down
CS: Down

Magenta: emotional balance
Pink: love
Lavender: mystery and imagination

| 126 | 169 | 710 |

Section 4 - Physical

Take spectators through the quirks of growing into one's body, highlighting humans limitations and how they have overcome said limitations.
Truss Position -
USR: Down
USL: Down
CS: Up

Section 5 - Social

Collective experience, highlighting how we might feel alienated when in reality many others are feeling/doing the same actions. Highlight the collective struggle of life, reminding those that everyone feels as if they are swimming aimlessly in the void.

Truss Position -
USR: Up
USL: Up
CS: Down

Section 6 - Downfall

Consumption. Tie back into how systems we exist in are built to alienate us, deplete us of our energy, "consume" us.

Truss Position -
USR: Down
USL: Down
CS: Up
